

ADAM UP GAMES: Force Field

ADAM UP GAMES: Force Field

Skill: Strategy

Players: 2

Equipment: One game sheet, pencil, ruler (optional)

Note. This game works well when projected onto a whiteboard

Mission: You are building a force field with a friend but only the person who places the last piece will be rewarded. Will it be you?

How to Play:

1. Starting at the top of the triangle, players take it in turn to draw lines between the dots
2. A player can choose to build 1 *or* 2 panels each time.
3. The player who builds the final panel takes the fame and glory of being the one to complete the force field.
