# ADAM UP GAMES: The Space Race

**Skill:** Counting to 30

**Players:** 2-4

**Equipment:** Game board, counters, one dice

**Mission:** Who can complete the space race first?

**How to play:** 2 players

1. Players place their counters on the start square
2. They take it in turns to roll a dice
3. If they land on a grey or blue square, they must follow the instruction
4. If they land on a square with an arrow, they must follow the arrow onto the square it is pointing towards
5. The first player to reach the finish is the winner
