# ADAM UP GAMES: Travelator

**Skill:** Rounding to the nearest 10

**Players:** 2-4

**Equipment:** Playing cards—one suit from Ace to 10, one counter per player

**Mission:** Get ready for take-off! You need to make it to the gate along the travelator so that you can board the plane. Will you be the first to get there?

## How to Play:

1. Players all start on 0 and turn the playing cards face down.
2. They choose a card and move along the travelator that number of spaces. Once they land, they must round to the nearest 10. For example, if you are on 0 and choose a 4, you go back to 0. If you are on 10 and choose a 7, you go to 20.

The game ends when a player reaches the gate. Players can decide if they continue until all players have boarded the plane.
